**CONSENT TO TAKE PHOTOGRAPHS & VIDEOS
AUTHORIZATION FOR RELEASE OF PHOTOGRAPHS & VIDEOS
FOR EDUCATIONAL & PROMOTIONAL PURPOSES**

We ask your permission to take photographs and videos of your condition or surgical procedures.

- The primary purpose of this is to document your condition and also your progress over time.
- The secondary purpose is for educational purposes at major national and international medical societies and conferences. The audiences at these conferences are physicians and industry representatives.
- Your photographs and videos may also be placed online or posted on the Beverly Hills Hernia Center website. The purpose of these is for education and promotional purposes. The audiences are physicians, other patients and the general public.

Your face will not be included in any photographs or videos.
